Mr. Scott Siegfried
Superintendent of Cherry Creek Schools
Cherry Creek School District
4700 S. Yosemite Street
Greenwood Village, CO 80111

Dear Scott:

Thank you for presenting on behalf of Boys' Volleyball today at the Equity Committee. This communication is to inform you that the committee reviewed the number of schools currently offering the program, the availability of facilities, the availability of officials and coaches, and the student participation numbers. We found these all to be more than adequate. In addition, the committee did not have any Title IX or proportionality concerns, and commended you on your detailed reports and understanding of Title IX.

We welcome you to speak for 5 minutes to our membership at the upcoming CHSAA Roundtable Meeting on January 28th. The meeting will begin at 8 am.

Please let me know if you have any questions, and good luck with your next presentation at the Sports Medicine Meeting on February 20th.

Sincerely,
